Captor Capital to Consolidate Common Shares

September 28, 2018

Toronto, Ontario – Captor Capital Corp. (“Captor” or the “Company”) (CSE: CPTR; FRANKFURT: NMV; USOTC: NWURF)

Captor Capital Corp. (the “Company”) announced today that the common shares of the Company will be consolidated on the basis of twenty (20) pre-consolidated common shares for one (1) post-consolidated share (the “Consolidation”). The shareholders of the Company passed a special resolution authorizing the Consolidation at a meeting of the Company’s shareholders on January 18, 2018, which gave the Company 36 months to carry out the Consolidation. It is expected that the Company’s common shares will commence trading on a consolidated basis on the Canadian Securities Exchange on October 3, 2018. The new CUSIP number will be 14075H202 and the new ISIN number will be CA14075H2028.

Following the Consolidation, the Company’s issued and outstanding common shares will be reduced from 787,060,117 to approximately 39,353,006 (subject to rounding). Any resulting fractional share entitlement remaining as a result of the Consolidation at .5 or over will be rounded up to the nearest whole number and below .5 will be rounded down to the nearest whole number.

A letter of transmittal will be sent by mail to registered shareholders advising that the Consolidation has taken effect. The letter of transmittal will contain instructions on how registered shareholders can exchange their share certificates evidencing their pre-consolidated common shares for new share certificates representing the number of post-consolidated common shares to which they are entitled. No action is required by non-registered shareholders (shareholders who hold their shares through an intermediary) to effect the Consolidation.
